## ESSS

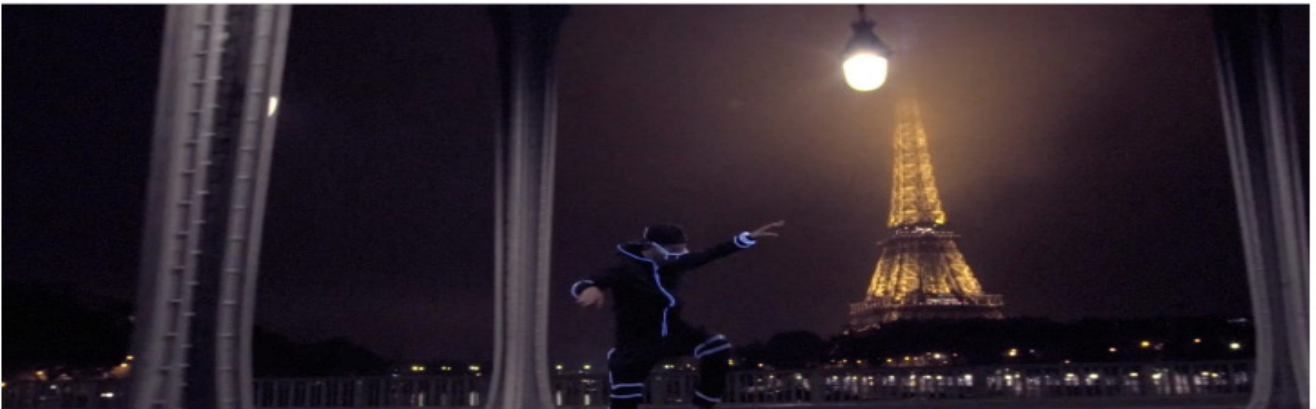

Derrière ESSS, Gregory Louis.

Rien ne serait possible sans le rythme.

D'un battement de cœur à une première ligne de basse,  
sans la force du rythme,

La musique n'existerait pas.

Gregory Louis l'a compris il y a longtemps.

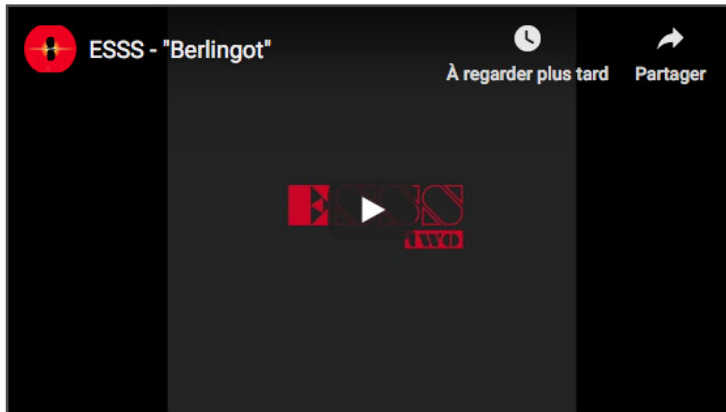

Fer de lance de la scène French Touch des années 90,

il a connu l'électro avant la révolution du numérique,

et garde de cette époque une fascination pour le son analogique pur,  
sa chaleur et sa texture.

De cette admiration pour cette période

et de sa connaissance profonde de la musique "indé" est né ESSS.

Auparavant, il a collaboré avec son complice Romain Tranchart ( Modjo ) à la composition ou à la réalisation de musiques de film et de nombreux albums pop & électro ou se distinguent l'ingéniosité et la créativité de leurs arrangements. Grégory Louls a notamment fondé avec Romain Carles et Romain Séo ( R a w m a n ) le label **W e R o c k M u s i c**

# ALBUMS - EPs | KING GIZZARD & THE LIZARD WIZARD, TAME IMPALA ET ESSS

Publié le 18/11/2017 | Par Sébastien |

ette semaine, je ne vous parlerai pas des sorties des nouveaux albums d'Etienne Daho ou de Charlotte Gainsbourg (d'autres le font beaucoup mieux que moi) mais plutôt du dernier LP des australiens King Gizzard & The Lizard Wizard, de faces B et remixes de Tame Impala et d'une découverte avec ESSS et son EP intitulé 'Two'.

Bonne écoute !

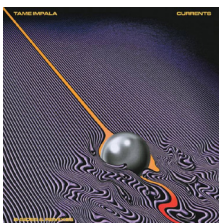

## Polydwanaland Psyche Rock

King Gizzard & The Lizard Wizard - 17 Novembre 2017 via Shimmy & Shake Records

Le quatrième album sorti cette année pour King Gizzard & The Lizard Wizard (pour une discographie en comptant au total 13). Une petite perle psyché rock qui en plus est mise à disposition gratuitement par le groupe australien. Un cinquième LP serait annoncé d'ici la fin 2017 : on est attend ça avec impatience. Les titres à ne pas manquer : « Deserted Dunes Welcome Weary Feet », « Crumbling Castle », « Polydwanaland »

Spotify Deezer Apple Music Bandcamp

## Currents B-Sides & Remixes Psyche Rock

Tame Impala - 17 Novembre 2017 via Modular Records

Une sortie qui permet de découvrir 3 nouveaux morceaux de la formation menée par Kevin Parker agrémenté de 2 remixes, un par Gum (membre du groupe) et un autre, très réussi, par les belges de Soulwax. De quoi rassasier les amateurs de Tame Impala avant un prochain album. Les titres à ne pas manquer : « Powerline », « Let It Happen (Soulwax Remix) », « List Of People »

## LA PÉPITE DU JOUR C'EST ESSS ET BERLINGOT

jeudi 11 janvier 2018 - Commentaire : 0

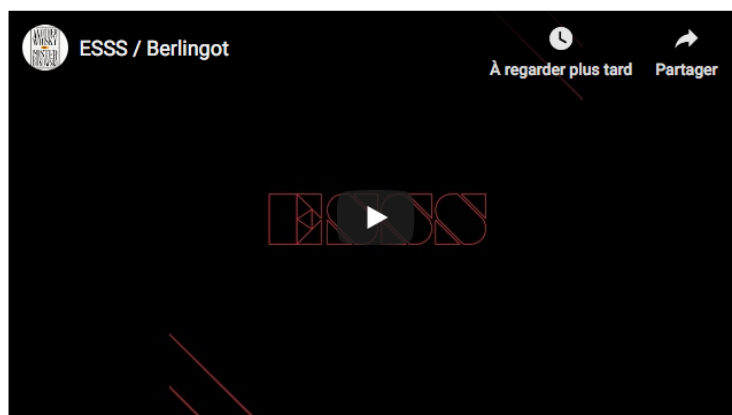

Accueil » La pépite du jour c'est ESSS et Berlingot

### Du funk au pays de Stranger things c'est ESSS et berlingot

ESSS c'est le projet de Gregory Louis. Il a voulu rendre hommage à la musique electro d'avant, celle des années 80. Il nous propose dès lors un voyage dans le temps, on retourne dans l'âge d'or du funk et dans les débuts de la musique électronique. On se retrouve dans la BO dansante et planante d'un jeu vidéo sur Atari ou sur NES. Tu es le pilote d'un vaisseau intergalactique en 8 bit et tu dois éviter les attaques des vaisseaux, les astéroïdes et les zorgs. Tu ne peux évidemment pas faire une sauvegarde mais tu veux le finir alors tu y passeras la nuit. Et cette musique t'accompagnera.

C'est donc extrait de l'ep TWO sorti en novembre 2017 et disponible un peu partout. On te le recommande évidemment.

14.11.2017 Mishka Music 0

2

Покопавшись в недрах soundcloud на предмет подтверждения возвращения моды на электро-звук 80-х, нашел весьма интересный сингл «Berlingot» французского проекта ESSS. Крайне занятное медленное электро, в котором можно услышать как отголоски саундтреков Джона Карпентера или популярного среди хипстеров Kavinsky, так и элементы техно, которыми балует своих слушателей небезызвестный Gesaffelstein.

## ESSS

France

ESSS deliver an array of sounds on their latest EP. Electro down tempo 80s synths meet 70s funk and modern dark techno builds. The opening track "Berlingot" will no doubt take dance floor by surprise as layered synths, kick drums and bass descend into a new wave banger.

ESSS 2 BERLINGOT 4:27 1.7K

---

## duendita

United States

Mixing a rich baritone with future R&B whilst referencing her loyalty to karma and faith, this is a stark and infectious call to arms to do something before it's over. Gorgeous, floral and layered with lilting guitar flecks as well as snappy percussion, this is a timely and necessary injection of a very special artist.

ESSS - Berlingot (Artist Interview)

ESSS - Berlingot (Artist Interview)

Sometimes the squeaks can scare you, in ESSS's new single Berlingot, the squeaks excite me. ESSS has amazing pattern sequencing from his vintage analog gear which he bangs on in France. He moves through the song much in the way that I like it. It's not completely underground, yet not so far from the mainstream that you won't like it. There is a happy medium in this Synthwave Dance Nu-Banger. P.S. you can pick it up on vinyl. Now that's sexy! Enjoy!

## ESSS – 2 BERLINGOT

This track has serious 80's synth pop attitude with a splash of techno. Dig that white noise and grooving bassline.

For fans of: Kraftwerk

This is a screenshot of a SoundCloud player interface. At the top left, there is a red play button icon followed by the text 'ESSS' and '2 BERLINGOT'. To the right of this, there is a 'SOUNDCLOUD' logo and a 'Partager' (Share) button. Below the text is a grey waveform representing the audio track. At the bottom right of the waveform, there is a small black box with the text '4:27'. At the bottom left of the player area, there is a link to the 'Politique d'utilisation des cookies' (Cookie Policy). At the bottom right, there is a number '719' indicating the number of plays or likes.

## Weekend Selection #13

Posted by **Colette Pomerleau** on November 17th, 2017 at 5:44 AM  
/ No Comments

Tweet Like 5 f

We've been more careful with previous weekend selections, but this episode is fueled by pure emotion. We're throwing ourselves out into the world with abandon. We're figuratively smashing glasses and climbing mountains. We're using our tears for art. We're maniacally dancing to all of these songs and intend to do so until Monday morning.

*Read and listen on below.*

**Kit Sebastian**  
Desiree

10.8K

London-based **Kit Sebastian** incorporates spoken word and European sensibilities to blend groovy jazz with peculiar psychedelia for his latest release, "Desiree". Time to pull up your turtleneck collar and sip your sparkling beverage; this one's a nostalgic-ridden classy soundscape.

For fans of: The Limiñanas, Eerie Wanda, Jacco Gardner

Gregory Louis ist ESSS und versteht es wie fast kein anderer Funk und das Beste aus mehreren Epochen elektronischer Musik in wunderbare Songs zu packen. Ganz unhektische, gut durchdachte Songs mit hohem Wiedererkennungswert sind das Markenzeichen des Franzosen. Mit Over & Over im Remix zeigt er euch wie man warmen, analogen Klang in Songs packt und damit auf gleicher Linie wie die französische Touch-Szene der 90er Jahre fährt. Electro-Songs, an denen man sich nicht satt hört und gerne den Kopfhörer heraus holt um das ganze Potential der Songs zu genießen. Hört rein, es lohnt sich!

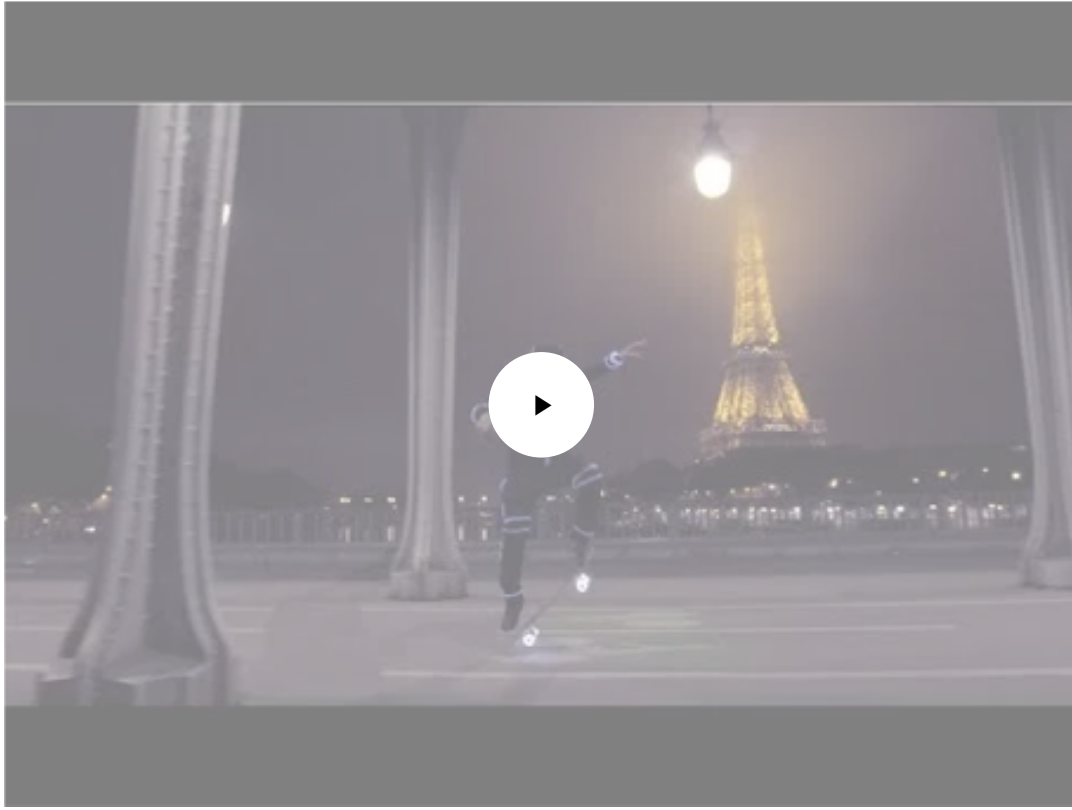

Player interface for the track 'OVER & OVER (The Beat) Re...' by ESSS, including a play button, progress bar, and 'Partager' button.
